**Cut and paste worksheet:**

<https://drive.google.com/open?id=19fTcY8KcDIWf9YOdkfYRrRZyvyIN11RX>

If you can not print this worksheet your child can write the 'ip' words in their copy and draw a picture for each one.

**Writing Activities****Dictation**

1. Write the title 'Dictation' on the top line of the page in your purple copy.
2. Listen to the dictation video (each class teacher will send their own)
3. Your child will write the dictation words down as the teacher calls them out. Pause the video if your child needs to work at a slower pace.
4. Do not correct your child if they have written the incorrect letter/word. Instead you could ask them to listen again to the word and see if they self-correct their own mistakes.
5. In the space at the top of the page, draw a picture for each dictation word that was called out.

**Topic: Length**

Curriculum objectives: The child should be enabled to;

- develop an understanding of the concept of length through exploration, discussion, and use of appropriate vocabulary (long/short, tall/ short, wide/narrow, longer, shorter, wider than)
- compare and order objects according to length or height.

**Activities;**

Polar Bear Length song;

**Choose 2 of the following activities to complete:**

- Cut out the snakes and arrange them by size, starting with the shortest and working your way up to the longest- <https://drive.google.com/file/d/1bSYH2oXkXLLEYOy8eYiRIMBuRvxG-V14/view?usp=sharing>  
Then use Lego blocks/beads to see how long each one is.
- Use wool to measure how tall everyone in your family is. Hang them up and discuss who is the tallest/shortest, \_\_\_ is taller than \_\_\_, \_\_\_ is shorter than \_\_\_ etc. You could do the same activity with everybody's name.

**Portfolio Assignments**

1. Upload a **picture** of one of your measuring activities.

- Sort the strips of paper; shorter and longer

Look around the house and find;

- 3 things longer and 3 things shorter than your pencil
- 3 things longer and 3 things shorter than you.
- 3 things longer and 3 things shorter than your favourite toy.
